

Worship

Worship at Seaside is about building bridges that connect God and each other in a community of praise. Our diverse community creates a situation where we have the opportunity to provide many different opportunities for worship week to week and throughout the year. Our three primary worship services are held at 8:00, 9:30 and 11:00 am each Sunday. Each service has its own distinctive flavor and character.

To learn more about a particular worship service, visit the pages for each service, or our general worship page by way of the links below:
