

Seaside UMC Preschool March Newsletter

Dear Parents,

Each class has been affected this month by the flu, virus, cold, earaches, strep throat, and other illnesses, but the warm weather that March promises us always brings an end to these problems. In the meantime, please watch your child carefully each morning. If he or she shows any sort of contagion (fever, for example), please let him or her rest at home. Only by leaving the germs at home can we eliminate it from the classroom. We are taking extra precautions to keep things washed down with Clorox wipes, washing hands, using Kleenex, and teaching the children to cover their mouths with their arms when they cough.

Scholastic Book Order

Our Scholastic Book Order is due Tuesday, **March 13**. The flyers are being sent home with this letter.

Preschool Enrollment

We are very pleased to see that so many of our two and three year olds will be back next year. Thank you for your support and goodwill among the community. So many of the incoming new parents have mentioned that parents of our children have recommended our school to them. We still have openings, so please let anyone know that is still searching for a preschool for their child. I would be happy to meet with the parents and explain our program to them. [Click here](#) for an Enrollment Form.

February 2017 Preschool News

Dear Parents,

January has been a month of weather fluctuations. We have very cold days followed by warmer temperatures. As a result of the weather and the season, we have had children out of school due to colds, strep throat, ear infections, and the like. Thank you for letting your child remain home to recuperate rather than send him/her to school when he/she might be contagious. Because of your diligence, we have not had any epidemics thus far.
