

Worship

We invite you to worship with us in the quiet of prayer, in the joy of song and in the desire to grow in the grace of our Lord Jesus Christ.

We offer three distinctive worship experiences in our Sanctuary each Sunday:

- 8:00 — Holy Communion
- 9:30 — Contemporary/Praise
- 11:00 — Traditional

Holy Communion is offered weekly at 8:00 and the first Sunday of each month at 9:30 and 11. All are welcome at the Lord's Table.

Loving God

Worship, Music and Praise

Our life together centers on the worship of God at our three Sunday worship services. Our outstanding music program, lay leaders and pastors seek to draw each worshipper into the presence of God. Special services punctuate the church year as we continue to re-live the life and ministry of Christ.

Serving God

Outreach Ministries

Seaside members express their faith, serving both God and neighbor. A weekly Food Pantry and “FreeStore” provide staples and basic necessities for the needy in our community. Lay visitors ensure that the homebound are never lonely. Trained Stephen Ministers provide one-on-one support to persons going through a life transition. A parish nurse coordinates support for persons facing medical treatments and hospitalizations.

In addition, an annual “Country Fair” provides resources for Seaside to offer financial support to many ministries and agencies in South Brunswick County and beyond.

Growing in Grace

Learning and Study

Learning about God and growing in Grace is a life-long endeavor. Seaside offers weekly Sunday School for all ages at 9:30 with an additional adult class at 11:00. Long and short-term Bible Studies and classes for Spiritual Growth are offered weekly throughout the year. Classes are available for every interest.
