

Special Friends of Seaside

Special Friends of Seaside (SFOS) is a new outreach, support and activities ministry for young adults with physical challenges and their families. This new ministry has sprung from families in our own congregation who see the importance of ministering to all of God's children, providing safe and welcoming

space to gather as a community.

SFOS meets on the second Tuesday of each month from 6-8 p.m. in the Fellowship Hall. There will be food and games and there is no cost to attend. SFOS is open to all young adults in our community who are living with physical challenges, so please invite any friends or neighbors who might like to be a part of this group. Sign in for more information using the form below. SFOS is also looking for individuals who would like to serve those who will be a part of the group by attending gatherings and planning meetings. No special skills are required, just an open heart and a welcoming smile. If you are interested in serving, please contact Mary Jordan (sfosmary@seasideumc.org) or complete the form below:
