

Music Ministry

Music is an essential part of our ministry here at Seaside United Methodist Church. Our outstanding choir assists in worship leadership at each of our Sunday worship services. In addition, more than a dozen

vocal and instrumental ensembles are in regular rehearsal to grace our services (some also participate in community events). Three major musical events combine all of our musical forces and draw enormous crowds from all around South Brunswick County.

Kathryn Parker, director of Music ministries, and all of us here at Seaside invite you to consider participating in one of our music ministries. Even if you don't sing, there may be a place for you behind the scenes, enabling the ministry in any of a number of ways. Contact us for more information at:
