

# Ministries

At Seaside United Methodist Church we believe that God has called us to be engaged with each other and with our community in a variety of ways. In the broadest sense, these ministries tend to fall into one or more aspects of what we define as our Journey: Loving God, Serving God and Growing in Grace.

“Loving God” is central to the life of any congregation and revolves around the ministries of worship and prayer.

“Serving God” includes those areas that focus on caring ministries and those which reach out into the community to directly engage those with special needs.

“Growing in Grace” encompasses education and spiritual formation, including the many classes that we offer at Seaside.
