A Morning at the Free Store

The lady and her husband walked down the hall from the food pantry toward the Free Store. They hadn’t been there in awhile but today there was a need. You see, she had been sick, very sick. Her stomach couldn’t hold any food down and she had lost 27 pounds—from 124 to 97 pounds on her barely 5’ frame. Now she needed some new clothes, perhaps some jeans to wear day-to-day, but more importantly a dress or two to wear to church. “It isn’t right to go to church unless I wear a dress,” she said by way of explanation to us.

As she and Gene sorted through the clothing looking for those “church” clothes, the story of how she had been sick came out piece by piece. “What did the doctor say,” was my question to her. “He gave me something for my upset stomach so now I can eat a little and keep it down—he didn’t say anything was wrong.” I was concerned, but soon distracted by the dresses that had been miraculously found in her new size, and the pair of beautiful designer denim pants that were hanging on the rack just waiting for us to find them.

By now, we were all pleased—Gene and I because we had met a need—the lady’s husband because his wife was happy. And, our lady was happy because she could go to church “properly” and there she could sing praises to the Lord. “He’s my # 1,” she told us, “I am always giving thanks and praising the Lord.” She plays the piano at her church and sings a little as well, she tells us.

Suddenly, she turns to her husband and says, “Let’s sing that song for them.” As he started to protest, this beautiful, rich contralto voice started to sing a line and then her husband’s clear tenor voice joined in. It was a call-response song at the beginning, her strong voice and then his quieter one in return. Gene and I were mesmerized: They sang for what seemed like several minutes—the joy in their voices and the peace on their faces was palpable. On our faces were smiles and tears. They stopped after the first full verse and chorus. “We can do more, but it’s time for you to close and we don’t want to hold you up, you’ve done so much.”

Thank-yous were exchanged—theirs for a grocery bag of donated clothing—ours for the gift of love for the Lord, shared for all to enjoy. A gift that will last a very long time in our hearts and souls...much longer than those dresses and pants.

Each member when joining the church is asked “Will you support SUMC with your prayers, presence, gifts and service?” We celebrate our ministries and events in this issue of the Seaside Currents.

Many of our members and friends remain on the prayer list for a longer time as they cope with health and personal issues. These names are printed monthly in our newsletter. The list of new names printed in the Sunday bulletin will be updated each week. Please provide the office with an update of both prayer lists. Please remember each in your daily prayers.

O radiant God, in the midst of tribulation, suffering, crippled hope and shattered dreams, stand by these Your servants until they are well.

Thank You Notes!

To My Seaside Family,
Thank you for your prayers and kindness during this difficult time for my family.
Sincerely,
Lorraine

Thank you to everyone for making the Seaside Annual Art Show another huge success! We had many different pieces of art that came in all shapes and sizes. Thank you to the artists and everyone who attended the show. We are already looking forward to next year's show and seeing more creativity from our members and the community!

Geri Piazza

Attention All Men!

You are invited to sing with Lomie Lou's 5th Sunday Men's Choir on Sunday, June 30th at the 9:30 service. Please be in the choir room by 9:10 to rehearse. We need YOU!
**Prayer List Information**

Seaside has had so many new members throughout the year and new friends that come back each week, we felt obligated to give you information about how we obtain the names on our prayer list and the importance of keeping information about their progress up to date.

The list is compiled from the Pastors, Scott and Mary Jane or our Parrish Nurse, Carol Sigafus, when someone goes into the hospital, has surgery or any other serious condition is reported to them or brought to their attention at the weekly Worship Meeting or is called into the church office. This includes both members and friends of Seaside UMC.

Other names on the list under friends are brought to us by those in our congregation, asking prayers for relatives or neighbors that are suffering illness, having surgery or any other serious condition.

Members of the Prayer Warriors meet once a month on the 2nd Saturday at 9AM to go over this list, name by name and bring it up to date with people’s current condition. We give praises to God for those that are well and can be removed and work extra hard to pray for those that must continue on struggling for wellness and healing.

Since our list is very lengthy, it is imperative for those who request prayers for friends, neighbors and relatives to keep us updated on the need for continued prayers. Please remember to send monthly updates by contacting Susan Seidel email sjs720@aol.com, phone 579-0684, Marlen Mapes email mjmapes@atmc.net, phone 575-6007 or Candie Meier email candiemi1@gmail.com, phone 599-8089 (cell). If someone you’ve asked for prayer is removed from the printed list in the monthly Currents it will be because we have not received an update. Please contact us in the event that prayer is still needed and they will be put back on the list.

**“Songs of Seaside”**

"As long as we live, there is never enough singing." Martin Luther

**Calling all Seaside Members & Friends**

Two special events are happening in June at SUMC:

**June 9th:**
The Youth Choir from Shallowford Presbyterian Church near Atlanta, Georgia will present a 7PM concert in our church sanctuary. Please make plans to attend! If you can help us house any of the 60 youth and their adult leaders, please let me know! This is an outstanding choir so invite your family and friends!

**June 28th: Red White & Blue!**
Join us in the sanctuary at 7PM to kick-off our nation’s birthday celebration. We will be honoring those who have served and who are currently serving in our military. A Love Offering will be taken for The Veteran’s Welcome Home and Resource Center. This is local organization that helps veterans reenter civilian life. All proceeds will be used locally. Please come out and support and enjoy this wonderful program. As always, your outstanding choir will be in full voice. Come see what surprises we have planned!

**Calling all Kids and Grandkids**

Don’t forget that VBS (very best stuff) will be held June 17-21 from 9AM-12NOON. We are taking a round-the-world tour and we don’t want to miss YOU! Registration forms can be found in the church office or online. Register today!

In July, what could be better than fireworks and baseball? Our "Soaring Angels" will be singing the National Anthem at the Myrtle Beach Pelican’s game on Thursday, July 18th. Call the Pelican’s box office and get tickets to join us for the game. There will be fireworks at the end of the game!

Although our choirs take a much needed break from rehearsing during July and August, there will still be special music each Sunday. Please take time during June or July to thank those who give so willingly of their time and talents each Sunday. We are so blessed to have so much talent! Thanks to all who serve.

I hope you will prayerfully consider joining us in the fall. Details will be available in August as we prepare for a new choir year. Lynn and I will be planning new adventures for the Music Ministry during the summer months. Come see what we have up our sleeves! Happy summer to all!

With a voice of singing,
Kathryn

From the Desk of…. The Health and Wellness Director

Summer is finally here! Time to rest, relax and recuperate! But, I know that our church family is busier than ever in the summer… with family, friends, travel and golf. Even though there’s not much time for resting in this busy community, try to take some time for yourself. Read that book you’ve been wanting to read, take up walking or swimming to stay healthy, or maybe try cooking or some other new hobby or interest. Don’t forget to make special time each day for you and God. Maybe you could join a Bible study group, or even start one. When you take the time to be with God, He’ll give you rest and re-energize you. Remember how much He loves you and wants to be with you, and if you allow Him, you’ll be amazed where He’ll lead you!

With Love and a Grateful Heart,
Carol Sigafoos

Are you interested in making a difference?

Do you have a few hours a month to give that could possibly change someone’s life? If so, we can use YOU! Seaside UMC’s Health & Wellness Ministries have many necessary and vital programs that everyone can fit into. While you’re enjoying your summer, I’m asking each of you, to please consider becoming a part of one or more of our programs that reach out to those in our church and in our community who need help and/or support. You may even know of an area or an issue that hasn’t been addressed yet, or that we may not be aware of. We want our church family to be “Doers of the Word and not Hearers only!” We want to be known for our compassion and caring. If you’re willing to step out in faith, trusting that God will use you just as you are, with whatever you can offer, you’re the one we’re waiting for! Below are just some of the areas where we can use some help.

- **Transportation Ministry**—We have a number of amazing folks who have volunteered to drive members of our church family to various doctor appointments, etc., that they might otherwise be unable to keep. This ministry is growing as people learn more about it and realize the value of it. As the ministry and the need for transportation grows, so does our need for drivers. Depending on the situation, we only use a person 1-2 times per month. If anyone is willing to volunteer for this ministry, please call the church office.

**NOTE:** Anyone who is already on our drivers list, please see Carol Sigafoos for a new form to keep track of our “Miles for Missions,” or if you’re doing transportation for church family members or friends on your own, please pick up a form so we can track all of our mileage. This is for Charge Conference and Seaside’s information only!

- **Facilitator for Alzheimer’s/Caregiver Support Group**—We continue to have a need for someone to facilitate our monthly Alzheimer’s Support Group. We have a couple of people who have volunteered to help assist as needed, but we’re still looking for someone to lead the group each month. Linda Hester has facilitated our group for the past couple of years, is willing to help train and possibly share the position with someone. The position is not difficult, it just involves someone who has some time to give… to find speakers, plan and lead meetings, and occasionally attend a workshop. The group meets once a month (the 3rd Thurs.) for a couple of hours, and a lot of the time the group just wants or needs to talk. It would be beneficial if the facilitator has some experience leading a discussion group… possibly a counselor or teacher, or someone who has an interest or experience with Alzheimer’s/Dementia or Caregiving.

- **Lay Visitation**—is another important ministry here at Seaside. There are many people throughout the year that need a visit, phone call, or card. If you have a few hours to give, enjoy talking and visiting, and would like to get to know more folks in the church… this ministry is for you. You will be paired up with another person and be assigned one month (of your own choosing) out of the year to visit, make phone calls or to send cards to folks who are no longer able to get to church, those recovering at home, and those in nursing homes and/or assisted living facilities. Nothing’s needed but a smile and a willingness to make someone else’s day a little brighter.

Please prayerfully consider joining us for one or more of these ministries… you will be blessed more than you realize! Either signup in the Gallery hallway or call the church office. Without our volunteers, we couldn’t survive! Thanks to all of you!
Hurricane Preparedness

Be Ready

Two keys to weather safety are to prepare for the risks and to act on those preparations when alerted by emergency officials.

Refer to the Federal Emergency Management Agency's (FEMA) ready.gov/hurricanes for comprehensive information on hurricane preparedness at home and in your community.

Gather Information

Know if you live in an evacuation area. Assess your risks and know your home's vulnerability to storm surge, flooding, and wind. Understand National Weather Service forecast products and especially the meaning of NWS watches and warnings.

Contact your local National Weather Service office and local government/emergency management office to find out what type of emergencies could occur and how to respond.

Contacts

Keep a list of contact information for reference.

- Local Emergency Management Office
- County Law Enforcement
- County Public Safety Fire/Rescue
- State, County and City/Town Government
- Local Hospitals
- Local Utilities
- Local American Red Cross
- Local TV Stations
- Local Radio Stations
- Your Property Insurance Agent

Plan & Take Action

Everyone needs to be prepared for the unexpected. Your friends and family may not be together when disaster strikes. How will you find each other? Will you know if your children or parents are safe? You may have to evacuate or be confined to your home. What will you do if water, gas, electricity or phone services are shut off?

Basic Disaster Supplies

A basic emergency supply kit could include the following recommended items:

- **Water**, one gallon of water per person per day for at least three days, for drinking and sanitation
- **Food**, at least a three-day supply of non-perishable food
- **Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert and extra batteries**
- **Flashlight and extra batteries**
- **First aid kit**
- **Whistle to signal for help**
- **Dust mask to help filter contaminated air and plastic sheeting and duct tape to shelter in place**
- **Moist towelettes, garbage bags and plastic ties for personal sanitation**
- **Wrench or pliers to turn off utilities**
- **Manual can opener for food**
- **Local maps**
- **Cell phone with chargers, inverter or solar charger**

Once you have gathered the supplies for a basic emergency kit, you may want to consider adding the following items:

- **Prescription medications and glasses**
- **Infant formula and diapers**
- **Pet food and extra water for your pet**
- **Cash or traveler's checks and change**
- **Important family documents such as copies of insurance policies, identification and bank account records in a waterproof, portable container.**
- **Emergency reference material such as a first aid book or free information from this web site.**
- **Sleeping bag or warm blanket for each person. Consider additional bedding if you live in a cold-weather climate.**
- **Complete change of clothing including a long sleeved shirt, long pants and sturdy shoes. Consider additional clothing if you live in a cold-weather climate.**
- **Household chlorine bleach and medicine dropper – when diluted, nine parts water to one part bleach, bleach can be used as a disinfectant. Or in an emergency, you can use it to treat water by using 16 drops of regular household liquid bleach per gallon of water. Do not use scented, color safe or bleaches with added cleaners.**
- **Fire extinguisher**
- **Matches in a waterproof container**
- **Feminine supplies and personal hygiene items**
- **Mess kits, paper cups, plates, paper towels and plastic utensils**
- **Paper and pencil**
- **Books, games, puzzles or other activities for children**

In any emergency a family member or you yourself may suffer an injury. If you have these basic first aid supplies you are better prepared to help your loved ones when they are hurt.

**UMW Makes UMCOR Birthing Kits for Liberia**

United Methodist Women here at Seaside prepared 31 birthing kits that were blessed on the altar on Mother’s Day and will be taken to Annual Conference in June to be shipped along with others from our Harbor District to Liberia. This project is part of the Healthy Families, Healthy Planet Initiative, funded by a grant from the United Nations Foundation.

Every 90 seconds a woman somewhere in the world dies from complications during pregnancy or childbirth. Annually, 4 million infants die within a month of being born. Most of these deaths occur in the developing world. When a mother dies, it increases the risk of death for her baby. Birthing kits containing such items as plastic sheeting, rubber gloves, cotton string, soap, razor blade and baby blankets provide the essential items to promote a safe, clean delivery and encourage good after care. Using a birthing kit doubles a woman’s chance of surviving the birth. Thank you to every woman who participated in this life-giving ministry.

**“Church Doesn’t End”**

When you walk out of the Sanctuary after worship service on Sunday, church doesn’t just end! As we implement the SUMC mission and vision, we are busy all week connecting people in a vital relationship with Jesus. We are building bridges, helping members of our community return to church after some years of absence, and we are introducing the unchurched in our community to a relationship with Jesus. We are providing Bible Studies and small group gatherings to help each other grow in grace. We are serving God by loving our neighbors and helping those in need. We are working together in a respectful manner knowing that God has given each of us special gifts and talents. And the good news is, while we are focusing on these activities, we are living abundant lives.

Thank you for being an active part of the Seaside United Methodist Church. Grace and peace to you all!

Colleen McGregor
Lay Leader

**GriefShare**

Our second cycle of GriefShare ended on May 31st. We had excellent participation in cycle two—there were 14 regular attendees. We will be starting our third cycle of GriefShare with an orientation/registration session on Friday August 2nd at 1:30PM in the Fellowship Hall. This cycle will run through November 15th.

GriefShare is a nondenominational group and features biblical teaching on grief and recovery topics. Each GriefShare session is self-contained so participants are welcome to join the group at any time. There is a $20 registration fee. More information about GriefShare can be found on our church website. Or, you may call Milly Houger 579-2603 or Jim McNeill at 579-2405.

We will have more information about GriefShare Surviving the Holidays in the September issue of Currents.

**Divorce Care**

Are you aware that we offer classes in Divorce Care? They are held each Tuesday evening from 6:30 to 8:30 in the Parlor. We watch informative videos on subjects covering recovery from a separation and divorce. We have discussion related to the subject we’ve reviewed. You can join us anytime as we will repeat the classes you might have missed.

If you know of anyone who might benefit from this ministry please call Pastor Mary Jane or Carol Aspy @575-2735.

**Coming: Women's Spiritual Retreat**

Save these dates: November 5, 6, & 7, 2013! The United Methodist Women will sponsor the 8th Women’s Spiritual Retreat again this year for all women of the church. Details will be forthcoming soon. Mark your calendar now!

**Thank You For A Day of Caring**

From cleaning gutters, spreading mulch, weeding and raking, bagging tree clippings cleaning a garage, and replacing a light fixture at the homes of some of our congregation, to scrubbing grout in the gathering area, shampooing rugs, washing windows and classroom tables at the church, our more than 30 volunteers spent four hours devoting part of their Saturday to help those who were not able to do the work themselves. The United Methodist Women and The United Methodist Men want to thank all who participated in this worthwhile project.
9 classes begin Wednesday, September 11, 2013

UMW Spring Garden Tea
The second annual UMW Charity Tea was held on April 19th with 144 ladies adorned in their finest hats attending. What a grand time was had, from beautiful decorations, great food, wonderful entertainment, and lovely door prizes. Thank You does not cover the gratitude we have to all who helped to make this Tea a success. To the men who set up and took down the tables and chairs, Ken Doern who manned the sound system, those who decorated the room, the ladies who worked so hard in the kitchen, those who prepared the sandwiches and cookies, and those who donated the door prizes—Thank You. The two charities, Methodist Home for Children, and SECU Hospice House each were thrilled to receive checks totaling $875. Special thanks must go to the support of all the ladies that bought the tickets, without them all the work would have been in vain. Thanks to all of you.

Hurricane Preparedness Continued from pg 7
Knowing how to treat minor injuries can make a difference in an emergency. You may consider taking a first aid class, but simply having the following things can help you stop bleeding, prevent infection and assist in decontamination.
- Two pairs of Latex or other sterile gloves if you are allergic to Latex
- Sterile dressings to stop bleeding
- Cleansing agent/soap and antibiotic towelettes
- Antibiotic ointment
- Burn ointment
- Adhesive bandages in a variety of sizes
- Eye wash solution to flush the eyes or as general decontaminant
- Thermometer
- Prescription medications you take every day such as insulin, heart medicine and asthma inhalers. You should periodically rotate medicines to account for expiration dates.
- Prescribed medical supplies such as glucose and blood pressure monitoring equipment and supplies
- Non-prescription drugs:
  - Aspirin or non-aspirin pain reliever
  - Anti-diarrhea medication
  - Antacid
  - Laxative

Remember the unique needs of your family members, including growing children, when making your emergency supply kit and family emergency plan.

For Adults:
- Denture needs
- Contact lenses and supplies
- Extra eye glasses

Ask your doctor about storing prescription medications such as heart and high blood pressure medication, insulin and other prescription drugs.

If you live in a cold climate, you must think about warmth. It is possible that you will not have heat. Think about your clothing and bedding supplies. Be sure to include one complete change of clothing and shoes per person, including:
- Jacket or coat
- Long pants
- Long sleeve shirt
