

Envisioning a Choir Loft

In 2005, as final designs were settled for our current sanctuary, our planners desired to make the chancel (stage) area as flexible as possible. With this in mind, we chose to utilize moveable risers for the choir. At that time, the full choir included some fifty members. As the choir grew, allowances were made, and an additional row added for the use of our hand bells and our expanding choir.

Since moving into the new sanctuary, our choir has more than doubled in size, with major cantata performances and rehearsals often exceeding the space on the risers.

The notion of flexibility was a worthy goal, but in practice the risers have proven too difficult to move. They occasionally have required mechanical repairs, the movement of the choir on and off of the risers is often noisy, and there is no accommodation for wheelchair access. Discussions and planning for their replacement began in 2011.

The heart of the project is the replacement of the existing choir risers (4 rows) with a permanent choir loft consisting of 5 rows of pew seating capable of accommodating 110 persons, including 2 in wheelchair accessible spaces.

Additionally, the chancel platform is to be extended left and right to provide some additional stage width for the piano, drums and organ as well as to provide better wheelchair access into the choir loft from either side. A low privacy panel/rail will be installed but will not obstruct the view of the stage or choir. The arc of the existing communion rail will be shortened to accommodate these changes but will still allow persons to enter the chancel from the side.

The first pew on either side of the main floor seating sections will be relocated to become the back row of those sections and the hardwood floor of the chancel stage will be refinished to ensure a seamless connection to the additions.

The total project is projected to cost approximately \$90,000 and should be completed by the summer of 2016. The actual construction may be done in phases so as to minimize disruption of our worship space.

We believe that the addition of a permanent choir loft will have a long-term positive impact on our ministries of worship and music.

We invite you to be a part of this important step in our life together as a congregation by making a "second mile" commitment of any amount to support this project. Gifts may be spread over the course of the year and be paid weekly, monthly, quarterly or as a one-time offering at any time. Gifts of at least \$750 ("one seat") may be designated to honor or memorialize someone. Such gifts will be recorded in our Memorial Book, located in the church gallery.

Watch your mail for additional information in the days ahead, or pick up a brochure and commitment card at the church. Participants in our music ministries will be given their initial opportunity to commit to this project on May 21. The congregation at large will be invited to join in this effort beginning June 7th at each morning worship service. Together, let us commit to building a choir loft worthy of our sanctuary.

Music Ministry

"Praise the Lord! How good it is to sing praises to our God" Psalm 147

Have you heard? The Seaside UMC Sanctuary Choir has been invited to sing for the NC Methodist Annual Conference on Thursday, June 11th at the 10:45 service in Wilmington, NC! This is a **HUGE** honor for us and we are so excited! We have hired a bus to take us safely to Wilmington and invited our own Wilmington String Ensemble to accompany us! There will be over 2, 000 people in attendance who will join us in song and worship. You can join us too—either in person (follow the bus, we leave at 8:30 AM), or via computer by clicking on the link, which will be listed in the Thursday emails. We would love to have you join us, but we would also like to ask for your prayers. Please start praying **NOW** for our safe journey and that all of our choir members will be well and able to participate. Thank you!

I am looking forward to VBS this year and hope you are going to be helping to shepherd our children during the week of June 15-19. The music this year is so much fun! Bring your children, grandchildren or neighborhood children to VBS!

Traditionally, the Music Ministries take a well deserved "break" from rehearsing during the summer months and we are looking forward to it after a wonderful and busy year. There will still be great music to lead worship each Sunday so please join us during the summer.

Now is the time to be prayerfully considering whether joining the choir or an ensemble is what God is calling you to do. I will post the fall schedule in our August newsletter. Come be a part of this exciting Music Ministry. We are a growing group of individuals who love singing and making music to the Lord! Have a wonderful summer!

With a voice of singing,
Kathryn

Worship News

We can't say enough about how great the music was throughout Cantata and Holy Week. Kathryn Parker and the choir did an exceptional job and we all commend them for it. Wouldn't it be wonderful if we could fill the seats at the Maundy Thursday and two Good Friday Services? Looking ahead, we have the Red, White and Blue concert for our veterans on May 24th and our Seaside Choir has been invited to sing at the UMC NC Annual Conference Worship Service on June 11th in the Wilmington Convention Center.

Our usher captains are still in need of volunteers. This is an important position at our church and an important part of our worship service because Ushers and Greeters are the first people that first time attendees meet. Their smiles and attention brings them back. The ushers have worked hard on a video to inspire volunteers to come forth.

We will soon be welcoming a new Duke student to our church for the summer. He will participate in our worship service and as in the past, preach in several services. Be sure to give him a warm Seaside welcome.

Welcome Ricky Harrison

Seaside welcomes Ricky Harrison, our sixth ministry intern from Duke Divinity School. The field education program at Duke is a central part of a student's formation for ministry. This opportunity allows students to gain vital ministry experience within the context of their more formal academic theological training. Seaside's internship is a focused 10-week experience, inviting the student to reflect theologically on life in parish leadership.

Ricky is a rising second year student who hails from Texas. He began his in time in the Divinity School in the Fall of 2014, but served a pre-admission field experience last summer at the United Methodist Related Hinton Rural Life Center in Hayesville, NC. His home is outside of Dallas, TX. He begins his work at Seaside on May 24th and will be with us through August 9th. We celebrate his arrival and look forward to being in ministry with him through this summer placement.

During the course of the summer, we encourage you to invite Ricky to join you for lunch, dinner, or other activities that he may get to know us and grow in ministry during his relatively brief time here.

Playground Upgrades

You may have noticed that our playground area has been undergoing some much-needed maintenance of late. Special thanks to George Baumgartner for his tireless efforts on this project. But there is more to come.

As a result of a generous gift from Terry and Mary Featherstone with support of the Preschool, STARS, and our Trustees, these upgrades and improvements will continue. During the month of June we will have a commercial grade, bonded rubber mulch playground surface installed. This surface will offer the advantage of additional protection for our children and the durability to allow for riding toys inside the playground fence. We are grateful to the Featherstone's for this generous gift and look forward to many years of benefit for the children we serve in Christ's name.

Spelling Bee Whizzes

The Seaside Spellers, Pat Linnell and Marilyn Schenck, were in the Brunswick County Literacy Council's 26th Annual Adult Spelling Bee to the end! There were thirteen teams entered into the Bee. At the end of the third round Pat and Marilyn were one of the two remaining teams. Their final opponents were the defending champions; so much was on the line. Pat and Marilyn went down to the wire, falling to their nemesis, the word *rapprochement*. The winning team spelled *rapprochement* correctly and then, to take the win, spelled *caliphate*. The Brunswick County Literacy Council is thankful for Seaside's sponsorship of the team and know that Marilyn and Pat will be back next year ready to take on all comers and come out victorious, bringing the title to Seaside. Thanks, Pat and Marilyn for being incredible spellers and making Seaside a standout in the spelling field.

United Methodist Men's News

At the UMM meeting this month we heard a powerful message from the Brunswick Christian Recovery Center founder, Larry Shreve and Director, Josh Torbich. BCRC treats addicts of all types and does so based on the life and teachings of Jesus Christ. Along with Larry and Josh, two young men currently going through the treatment process, gave testimony to the program effectiveness and the role that Christ now plays in their lives. BCRC is driven by private contributions, and accepts no aid from the government because of the concern for restrictions placed on their focused Christian format. At evening's end, the UMM donated \$1,000 to their program.

The golf tournament results are in at a record \$11,012. The committee has already met to go over the event and discuss ways to make it better for next year. They, along with all the volunteers, did an outstanding planning job and put on a great tournament.

The 2015 UMM scholarship applications are available and can be picked up at the church office. The applicant must be an active member of Seaside United Methodist Church or a non-member who is actively involved in SUMC sponsored projects or programs. He or she must have been accepted to a collegiate undergraduate program, an accredited post-high school educational program, or a state licensed course of training. Students currently enrolled in any of the above post-high school programs are eligible to compete for the 2015 scholarship award.

The amount of the scholarship is \$500 and the signed application must be submitted to the church office no later than Friday, June 19, 2015.

UMM Presents:

During the months of March, April, and May 2015, The United Methodist Men of Seaside United Methodist Church presented checks to seven of the non-profits supported by the group. In 2014, over \$19,000 was raised by the Seaside UMM for the benefit of Brunswick County. The seven selected non-profits were Providence Home, StreetReach, Literacy Council, Brunswick Family Assistance, Hope Harbor, S.T.A.R.S (Seaside Teaching and Reaching Students), and the Brunswick Sheriff's Charitable Foundation.

UMM & UMW Fall Meeting "Volunteerism Opportunities"

The UMW and UMM will be gathering together for the October 5th Unit meeting. After a meal, provided by the UMW-FIGS Circle, a panel discussion of three community guests will be held to address "Issues that Affect Brunswick County, with a Focus on Volunteerism Opportunities." Panel member selection is underway. Several candidate names have been submitted and the vetting process will soon begin.

The UMW/UMM objective will be to gain greater insight into the needs that surround us and provide ongoing direction to our outreach programs.

UMW News

Seaside UMW is supporting United Methodist mission's efforts in the very poor country of Sierra Leone, Africa by packing buckets full of food items. These 5-gallon buckets will be packed onto a container and the container will be blessed by Bishop Hope Morgan Ward and Bishop John Yambasu, who will be visiting our Annual Conference in June from the Sierra Leone Annual Conference.

The Seaside UMW will be providing meals for several of the weeks during the S.T.A.R.S. Literacy Program this summer. Each circle has chosen a Monday night to serve the students and their families. After serving the meal, each UMW member will join the families for the meal in order to create a community atmosphere. The desserts will be focused on the Dr. Seuss book, *Oh, The Places You'll Go*, which is the theme for the S.T.A.R.S. Program.

More than 30 of the finest epicureans will be participating in the September Basket Bonanza to Benefit the Methodist Home for Children in Wilmington. Seaside UMW is donating a beach themed basket, "Seaside from Sunset" to be used for the event. Each member is donating coastal items for the basket.

The Seaside UMW will be hosting the Women's Spiritual Retreat November 3rd and 4th at the C.B. Berry Conference Center and Vereen Park. Stefanie Riley will be the facilitator. All women of the church are invited to participate.

First UMW Game Day May 2015

On Tuesday, May 19, 2015, the UMW had their first Game Day at Ryan's Restaurant in North Myrtle Beach, SC. It was a success. The proceeds went to Brunswick Family Assistance and Seaside Church Preschool.

The UMW wants to thank all who attended the first UMW Game Day. It was nice to see so many people playing games, eating and having fellowship and fun together. A good day was had by all.

Permanent Endowment Committee—Donor Story

While visiting the Will Planner on her favorite charity's website, Judy, a surviving spouse and a mother of three children, came across the idea of a Give it Twice Trust. She contacted the charity for more information and talked with a gift planner who explained the concept as a way to first give income to children through a trust and then to transfer the trust balance to a charity in the future.

Judy wanted to treat each of her three children equally and also provide a benefit to her church. The gift planner told Judy that with her estate IRA holdings she would have the ability to do something significant for both her family and her church. Judy was concerned because while her two older children are financially responsible, her youngest, Jim, "spends money like water." Judy was afraid that if Jim were to receive cash in a lump sum he would spend it right away.

The gift planner explained that the "Give It Twice" plan could be very helpful. June could transfer a large amount from her IRA at death to the trust. Her children would each receive one-third of the income from the trust over 20 years. That would give Jim a chance to learn to save and invest. After that time, the trust balance would benefit her church. In addition, by using her IRA money, Judy wouldn't have to pay income tax on any capital gains, take a charitable deduction, yet still be able to provide an income for the children.

Judy: "I established a Give it Twice Trust and was thrilled with the plan. The prospect of helping my three children and my church made me happy and I knew that leaving this legacy was the right thing to do."

Does this idea appeal to you? If so, contact one of your pastors or someone on the Permanent Endowment Committee.

In each of the documentaries, the major two-part series produced for the BBC, Suchet travels with Peter and Paul on their journeys and follows in their footsteps showing their impact on Christianity.

May 31st and June 7th will explore the footsteps of Peter. June 14th and 21st you will explore the footsteps of Paul.

The class is open to everyone and meets at 11:00 Sunday mornings in room 210. Watch the Thursday newsletter for what will follow for the rest of the summer.

Summer Intern to Facilitate Summer Class

Ricky Harrison, our Duke Summer Intern will be facilitating the Adam Hamilton DVD course, "Making Sense of the Bible." The class will meet beginning, Thursday, June 25th, from 6:30-8:00 p.m. in the Fellowship Hall for 6 weeks.

In "Making Sense of the Bible: Rediscovering the Power of Scripture," Hamilton, explores the key points of questions like: Were Adam and Eve real people? Why is God so violent in the Old Testament? Why would Paul command women to "keep silent in the church? Is Jesus the only way to salvation? How does God view homosexual people? And, is the Book of Revelation a guide to End Times?

In approachable and inviting language, Hamilton addresses these often misunderstood biblical themes, leading readers to a deeper appreciation of the Bible so that we might hear God speak through it and find its words to be life-changing and life-giving.

Signup sheets are in the Gallery for all classes beginning June 1st.

Small Group/Class Facilitator Training

Have you thought that you might like to facilitate a small group during the week or on Sunday mornings, but aren't sure what is involved?

We need more small group and class facilitators and you are invited to come explore with us whether that is a gift you have to share with Seaside UMC.

We will have two facilitator training opportunities on Sunday morning, July 12th in the Fellowship Hall. The first will be from 9:30-10:30 and the second one will be 11:00-12:00. Get a cup of coffee or tea and come join Sue Amyx and Stefanie Riley, who will be leading the training.

If you have questions about small group or class facilitation, you can contact Sue Amyx, Volunteer Adult Studies Coordinator at suea6271@gmail.com or 317-752-4134.

Hope to see some of you on July 12th.

Country Fair Dates

Country Fair BBQ—a HUGE thanks!

A heartfelt thanks to Bev and Mike Williams, the Country Fair BBQ host and hostess with the most and mostest. The Country Fair team thanks the Williams' for all of their hospitality, planning, cooking, baking, and grilling, and doing everything else to make each evening perfect. Without them, there just might not be a BBQ. We are in their debt.

Mike and Bev would like to thank those who helped make the BBQ a success. A huge shout out to Colleen and Don McGregor for making all of the beans and manning the kitchen. Thanks go out to women from the church who came like little cooking genies and peeled hundreds of potatoes to make that great salad and to the others who brought their favorite desserts to share with the masses. We know that if you have a sweet tooth, you certainly got your fix at the BBQ.

Finally, thanks goes out to all who purchased tickets—whether you are a regular or a new attendee. Along with all of the delicious food, being a part of the fellowship and camaraderie with those associated with SUMC makes the BBQ a premiere kickoff for the Country Fair activities. We're glad you could be a part of it and hope you already have it on your calendar for next year.

There is nothing better for a person than that he should eat and drink and find enjoyment in his toil. Ecclesiastes 2:24

Spring Fling—Country Fair Clothing Sale

This year our clothing team has decided to try a new venue for all the wonderful and stylish clothing, which has been donated for the 2015 Country Fair. Grab your neighbors and friends and come shopping for the best selection of high quality spring and summer clothing at bargain prices! **Join us on June 13th, from 10am to 2pm, on the Church grounds.** There will be lunch available for tired and hungry shoppers from 11am to 1pm, with hot dogs, chips and cold drinks for sale. Come and enjoy this event and rock a great new style for the summer.

After our Spring Fling Sale in June, we will need clothing donations for the actual Country Fair on September 18th and 19th. When you finish your spring closet cleaning, bring your gently used or newer clothing items to the Storage Building next to the playground. Loyal Country Fair shoppers will be delighted to find a different selection available in the Fall!

Leadership Need for Children's Play Area

It's important to have a safe and fun environment for the kids visiting the Country Fair with their parents. The play area, supervised by church members, will allow parents to shop worry-free, confident that their children are safely enjoying themselves. We hope that Seaside UMC will be seen as a welcoming place for parents and their children.

To that aim, the Country Fair Steering Committee is seeking an adult volunteer who is willing, able, and delighted to be the Event Leader for the Children's Area this year. Do you like "bouncy houses" and children's art activities? Are you willing to organize other volunteers who are ready to help out for those two days? If you're that person, please consider calling or talking to Kim or Carolyn Loucks (315-729-6474) about making this commitment.

Country Fair Donations

Donations can also be brought to the church storage building (next to the playground) during office hours on weekdays and on Sunday mornings, as you come for Church Services, until 11 o'clock. Clothing, household items, furniture, tools, sporting equipment, decorative items, dishes, linens, and appliances (please check with Larry Cramer) are needed, but only if they are in good condition.

Please, do **NOT** bring computer printers, non-flat screen televisions or monitors, or non-operational computers—and absolutely, no paints, liquids, or hazardous materials such as kerosene or lamp fuels. Also, no mattresses or box springs, as they cannot be sold per NC State law. Items we cannot sell will need to be disposed of at a cost and inconvenience to the Church. We want to offer attractive as well as safe items for sale to the public.

If you need help getting items to the church, we have an easy solution. A wonderful team of volunteers will come and pick up your items. Please call the church office (910-579-5753) and schedule a time.

NEED ANSWERS? WANT TO VOLUNTEER?

The following list includes the names and phone numbers of the Event Leaders who can answer questions about donations, and accept names of those who would like to volunteer. Remember, there is much work that is done ahead of time, so if you are out-of-town during the Country Fair weekend, you can still help!

Seaside Youth News

Congratulations to Our Graduates!

This year the Seaside Youth Fellowship is proud to celebrate with two of our students as they graduate from high school and move on in their life journey. Callie Hucks and D.J. Foote have graduated from West Brunswick High School and as you can imagine they are both excited about the coming days and months! Callie plans to attend UNC Chapel Hill in the Fall. D.J. is already hard at work at Jones Ford and will continue building his career there as they have extended an offer of full-time employment to him. We are so excited for the potential God has placed in both of these lives and hope that you will continue to pray for and bless these two students as they take on the new and exciting opportunities that life will bring!

Summer Fun with the YF

After wrapping up a great school year with our students we are looking forward to continuing our discipleship this summer with opportunities for missions, ministry and community building. Vacation Bible School is going to be a great opportunity for our students to grow in Christian service and leadership as they participate in shepherding our flocks. We have also been granted the privilege of helping the STARS program as we will host one of the Monday evening family dinners. Plans are also in place to team up with some other churches in doing some local missions work as well as having some fun getting to know students from other places. An "End of Summer" retreat is in the works as well. Sprinkle in there some fun days at the beach, some mini-golf tournaments and it will be a busy, yet great time for our Youth Fellowship! As always, you have the opportunity to serve our students in this ministry and are encouraged to pray about God's leading in this direction. If you are interested in helping, contact Stefanie—she would LOVE to hear from you!

Grace and peace,
Stefanie Riley

GriefShare

The final session of Cycle 6 concluded with a balloon release in memory of the participants' loved ones:

- It gave me a safe place to express my grief, and I was able to reconnect with God,
- I was given hope, I made new friends and I was given tools to help me get through my grief.
- I realize bit by bit – I am healing
- Such nice friendly people
- It made me stronger
- Real people telling their own stories

This group was the largest we have had since starting GriefShare in 2012. We also had the best weekly attendance/participation from this group. The healing and growth we have seen from each member has been heart-warming.

Our next cycle of GriefShare begins September 11th and will run through December 18th. For more information, contact Milly Houger, 910 579-2603 or Jim McNeill 910 579-2405.

Garden of Disciples

The Garden of Disciples is undergoing a restoration. At the time of this publication the painting should be completed on the Garden's perimeter wall. Soon we will be ready to replace some of the current shrubs in the Garden. The team needs your help and suggestions as they select just the right kinds of shrubs to add to the beauty and interest of the Garden. The shrubs considered should be hardy, easy to maintain as well as heat and drought-tolerant. We are also looking for plants that have color or an interesting structure. If you are a gardener or landscaper and have ideas we would love to hear from you. Please call Gerry Strickland at [910.579.0364](tel:910.579.0364).

The Garden is open to all to come and reflect or to those who would like to give a few minutes of their time to weed or clean up the garden. The revitalization of the Garden is due to dedicated volunteers. No need to wait for an organized weeding party, just grab some tools and come to the Garden. All will notice your efforts, and the committee thanks you in advance.

Instead of the thorn shall come up the cypress; instead of the brier shall come up the myrtle; and it shall be to the Lord for a memorial, for an everlasting sign that shall not be cut off.
Isaiah 55: 13
