

Instructions for making reports to Charge Conference 2016:

(Charge Conference is after Church Council on November 28, 2016)

Charge Conference reports serve many purposes. One purpose is to provide an historical record of the life of our Church for a given year. We can accomplish this in many ways, including detailed lists and narrative accounts of each event and activity.

For the 2016 Charge Conference, we invite you to place your report in the context of our church's Mission and Vision statements. Reports should be limited to one single-spaced typed page. They may be submitted via email to megood@seasideumc.org by November 16, 2016.
